

White cotton table cloth

TCR Wiping Rags – Ref. MBF

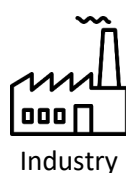

The **White cotton table cloth** is appropriate for delicate work, among other uses. It does not leave lint and guarantees a very good absorption. Ideal for cleaning windows, screens, printers, etc. This cloth comes from laundry and catering where it has been washed and sterilized, which guarantees the perfect cleaning of each one of the cloths and increases their level of absorption. Its preparation consists of chopping and packaging. Contains no hazardous substances and no known toxic effects.

Indicated for cleaning machines, oils, liquids, grease, glass, etc.

The use of wiping rags produced by cutting used garments lengthens the life cycle of textile by-products and contributes to their recycling and environmental protection, as well as promoting the circular economy and reducing CO₂ emissions.
